They arrested Guiseppe Erpie.

Oak Grove Ave. Paving Plan Cut

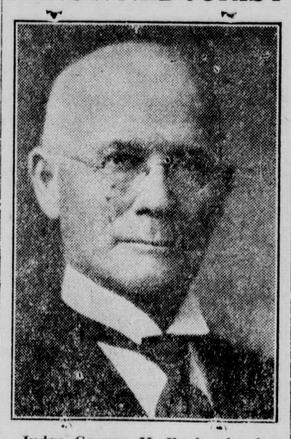
MENLO PARK, Oct. 21 — The proposal to surface the entire Menlo Park side of Oak Grove avenue lying within the city limits has been abandoned, it has been announced by Mayor W. H. Weeden.

This proposal was made last week when arrangements with Supervisor John Poole for the resurfacing of the present avenue surface from Laurel avenue to the city limits and the repair of existing shoulders were being discussed. The project is being dropped because of the grading expense, which would be heavier than anticipated. An allowance of $500 was made by the council for the entire work.

The originally proposed work will be done by the county crews at a cost of $384.

Mr. and Mrs. Alexande Donald, (Barbara Pond), have been spending several days at the home here of Mrs. Donald's parents, Mr. and Mrs. Samuel Pond.

RENOWNED JURIST



Judge George H. Buck who has launched the final drive of his campaign for re-election to the Superior Court of this county, is California's outstanding trial judge, with a record of 42 years of splendid service.

Judge Buck's Long Service Is Commended

Urging San Mateo county voters to retain their veteran Superior Court Judge, George H. Buck, nonpolitical groups of citizens are citing his forty-two years of service as a jurist and his fine legal record as recognized by leading attorneys and judges of California.

In communications being sent San Mateo county citizens, voters are being reminded of the fact that Judge Buck has ably handled more litigation than any other four superior judges in all California, and that his standing in legal circles is one of the highest in the state.

Chief Justice William H. Waste, as chairman of the Judicial Council of California, is the authority for one of the testimonials in behalf of Superior Judge Buck.

Veteran of many a political campaign, Judge Buck is pointed out by his supporters as a public-office holder who has never indulged in political favor-seeking to retain his position.

Acting strictly in accordance with his duties as an interpreter of the laws of his state and county, Judge Buck has never sought to strengthen himself in politics by playing favorites, assert his supporters.

Judge Buck, following his practice of many years, is staging no money-spending campaign in an effort to ride into office. He is seeking re-election on his record, it is announced.

South City Club To Boost Hoover

A Hoover club was organized in South San Francisco Tuesday evening with J. W. Colebred as president, Andy Hynding, secretary and A. C. Peck, treasurer. Much enthusiasm prevailed at the meeting, all the members agreeing to work hard to carry the town for Hoover and Curtis. About 200 joined the club. Able speakers are to address the organization including Mark Requa, national committeeman. Colebred declares that San Mateo county will give a 5,000 majority to the Republican candidates.

County Pioneer Is Honored on 80th Birthday

Lucas Greer, who came in 1866 to the part of the Santa Clara Valley which is now Palo Alto, celebrated his 80th birthday yesterday. A family dinner in his honor was given at the home of his sister-in-law, Mrs. J. F. Greer, last night. A birthday cake with 80 candles held the place of honor at the dinner table.

A feature of the evening was a Spanish serenade, reminiscent of the days of Spanish hospitality on the peninsula. Mr. Greer was born in Woodside and has spent his entire life in this vicinity.

Lawndale Accident Brings $10,000 Suit

Damages of $10,135 were asked this week by Alice Ramos against Irene M. Radclift and "John Doe" Radclift as the result of injuries incurred by her in an automobile mishap in Lawndale, October 23, 1931.

Miss Ramos was riding as a guest in the car of Curtis W. Roth. She suffered both internal and external injuries, including contusions of the back of the right hand which caused swelling and pain extending to the shoulder.

BRIDGE JOB POSTPONED BY COUNCIL

Bids Opened; Contract To Be Awarded Next Meeting

The contract to build the Hudson street bridge was not awarded by the city council this week, because certain proceedings necessary to acquisition of the right of way had not yet been completed. It is expected that everything will be in readiness at the first meeting of the council in November, when the contract is to be let.

There were 11 bids received yesterday, and the figures ranged from the lowest, that of Thomas J. Doyle San Francisco, which was $2,316.58, to the highest, which was $3,582.81.

The council kept the three lowest bids for consideration, and will select one of them by the time of the next meeting.

Neves and Harp, contractors at work on the new city reservoir near the end of Jefferson avenue, requested an extension of 60 days in which to complete their contract. This was granted by the council, on condition that they pay the cost of inspection from October 1.

An ordinance regulating solicitors, and requiring city permits for any solicitations, was adopted, on motion of Councilman H. A. Beeger, seconded by Councilman Charles G. Lambert.

Councilman Robert N. Jones advocated an improvement in the appearance of Union Cemetery on Woodside road, and the council recommended that the city unemployment committee put men to work on this project.

City Manager E. A. Rolison said he would have an ordinance ready for consideration at the next council meeting, relative to municipal control of garbage collections. The city manager desires to abolish, as much as possible, the practice of dumping garbage and refuse, "hit or miss," on vacant lots, streets, and creek beds. No increase in cost would be felt by citizens who now pay 50 cents per month to have their garbage collected by a private scavanger. The council discussed the matter at some length. The subject has been up a number of times before.

Palo Alto, with its municipal collection system, made $4,000 net last year.

DOXSEE HOME, SAYS HOOVER GAINS FAVOR

Clarence M. Doxsee of the San Mateo County Title Company returned this week from a three-week visit in the Middle West and reports that there is a definite trend in favor of President Hoover in Iowa and other parts where Doxsee visited.

Doxsee's trip combined business and pleasure, since he visited a brother and sister at Monticello, Iowa. He owns a large Iowa farm and says that he has built new corn cribs in order to hold this year's crop over on the chance of better prices. They have the largest crop in years and no prices. With corn now quoted as low as nine cents per bushel, many of the farmers will burn it for fuel this winter.

Doxsee heard President Hoover speak at Des Moines. He says that despite bad conditions and the unrest among the farmers, the sentiment for Hoover is steadily increasing in all sections.

Oil Co. Sued by Palo Alto Widow

Mrs. Jean M. Condon, Palo Alto widow, has sued the Shell Oil Company for $4550 damages for loss of rents, asserted breach of contract, and removal of a building.

The suit is over the lease on March 1 of a parcel of property owned by the widow at University avenue and Bayshore highway, near Palo Alto.

She asks $4,000 damages because she refused an offer of $14,000 for the property from another oil company when the actual market value was but $10,000, but was prevented from making the sale believing the Shell Oil Company's lease was in effect.

The widow also seeks $200 loss of rental, and $350 for removal of a building to clear the property for the service station.

"The response is most gratifying," said Chairman Merk. "From all over the county, word comes that our citizens are uniting for this humanitarian issue, regardless of political belief, creed, or locality; San Mateo county is unitedly behind the relief bonds."

Five Charged With Fraud In Bank Suit

Alleging fraud and conspiracy, a group of well-known coastside citizens Monday filed a complaint with County Clerk Elmore B. Hinman asking $8,286.50 from Manuel Bettencourt, cashier of the former Bank of Half Moon Bay.

Five former directors of the bank, designed as "John Does," are defendants with Bettencourt.

Plaintiffs are Dante Dianda, John V. Souza, G. Nerli and J. C. Williamson.

It is alleged that the directors assumed title to property in Byron, Contra Costa county, under the fictitious names of J. B. D'Silveira and Mary D'Silveira, and then loaned $27,000 on the property. It is alleged that each of the defendants was directly interested in the loan.

The plaintiffs contend that the property was not worth $27,000. Twenty-thousand dollars have been repaid of the loan, but interest and principal totaling $8,286.50 are being asked.

In another suit, the same plaintiffs ask Bettencourt to account for moneys collected as agent for the Wilson Estate Company of San Francisco.

Norman Elkington is counsel for the plaintiffs.

JOB HUNGER MARCH PLEA IS FAILURE

Supervisors Declare All Possible Relief Will Be Given

The so-called "hunger march" of San Mateo county's unemployen in Redwood City Monday morning proved a flat failure. Despite advance publicity and efforts of agitators, it attracted less than fifty participants. Chief of Police C. L. Collins and Sheriff James J. McGrath were on the alert but no trouble occurred.

The group formed in front of the Redwood City unemployment office near the depot and marched to a vacant lot at Marshall street and Middlefield road. There W. H. Kopping, local organization secretary of the county unemployed council, took the stump.

Banners, reading "We Want Cash Relief," "Fight, Don't Starve," "Bosses' War Means Hell for Workers," "16 Years Since Mooney Was Framed," "Withdraw Troops From China," "Free Milk," "Free Rent," "Free Gas," etc., were lifted high in the air.

Kopping called for volunteers to carry the group's demands to the board of supervisors.

W. B. Hardy, Menio Park, stepped forward, and read the demands.

Eight others volunteered. They were Frank Berorio, C. N. Van Riper, and George James, all of Menlo Park; H. De Beck, Burlingame; O.H. Hopping, B. Romero, J. V. Lara and E. Hopping, all of Redwood City.

Supervisors Hear Leaders

While the balance of the men, women and children who made up the parade remained behind, the group's committee went before the board.

Chairman Manuel Francis suggested the board meet the group in a private conference.

Demands were taken up one by one.

That for payment of $10 cash per week per unemployed worker and $3 per dependent was met with the statement that the board had no power to give away the people's money in this way.

Relief, however, was available to these workers through the social service commission, the board stated.

The demand that the board memorialize congress to provide for immediate cash payment of the bonus, and that it enact a workers' unemployment insurance bill, were denied by the board because to pass such resolutions would have been "useless gestures," the supervisors having nothing to say as to what congress should do the group was informed.

Seek Free Light, Water

Another demand, that the Pacific Gas and Electric Company be halted from shutting off the gas and electricity, and that water companies be halted from shutting off the supply, was not within the power of the board to grant, the committeemen were told.

It was also pointed out by the board that the demand to stop the eviction of unemployed workers

COMING HOME

According to his present plans, President Hoover will complete his transcontinental campaign tour by coming to his home at Palo Alto, where he will remain until after election day.

Hoover May Finish Tour At Palo Alto

Possibility that President Hoover will make a transcontinental trip to his Palo Alto home on the eve of election was expressed in a United Press dispatch to the San Mateo Times.

The President's great success in his previous campaign tours has led his advisors to urge a trip to his home state before voting day.

"They certainly want to see the President out there," said Secretary of the Treasury Ogden L. Mills, chief political adviser of the president, who has returned to Washington after a tour which brought him for a short time to Belmont and San Carlos. 'I found people everywhere intensely interested in what the president had to say and in getting him to come out and say it to them personally, if possible."

PANSY ABBOTT, SCHOOL HEAD GIVEN HONOR

Pansy Jewett Abbott, County Superintendent of Schools of San Mateo county, was honored at the Annual Convention of County, City and District Superintendents and Conference of Rural Supervisors, in being reelected as secretary-treasurer of the County Superintendents Association of California. Clifton of Los Angeles, Miss Abbott presided at two of the general sessions during the recent convention at the Fairmont Hotel as well as presented a paper on "The Relationship of the County Superintendent to Proposed School Legislation."

Miss Abbott has been named as chairman for San Mateo County of the Education and Training Section for the State Conference on Child Health and Protction. SWART MAY NOT PRESIDE IN DOG ROW

Judge Cites Possible Prejudice; Week's Delay Granted

Citing that he drafted the county's anti-racing law and did earlier this week express his opposition to gambling at dog tracks, Superior Judge Franklin Swart indicated just before noon today that he would like to have some other judge pass on the proposed abatement of the Baden Kennel Club's track.

"If I were one of the parties to the action," the jurist said, "I would not want a judge in my frame of mind to sit in the case."

The court suggested that if it were the desire of opposing counsel, Angelo Scampini and Norman S. Menifee for the anti-racing interests, and Harrison W. Call and others for the defense, that he would ask the judicial council to name an outside judge to hear the case.

Counsel did not voice a desire for Judge Swart to step down, Call saying: "I am perfectly willing to have you hear it."

The hearing today was on Scampini's petition for an injunction to close the Baden track pending settlement of the complaint for abatement filed by Antonio Molini, South San Francisco produce grower, who charges that the track by keeping him awake at night, and by the noise created, is a public nuisance.

Call today filed a demurrer to a motion to strike out certain parts of the complaint. He asked that this matter go over two weeks, but Judge Swart granted but a week's continuance.

If a new judge is named, perhaps another continuance will be granted from next Thursday.

Judge G. H. Buck yesterday distributed the estate of Joseph V. de Laveaga, deceased, to Mrs. Juanita de L. Somavia, a daughter, who received two thirds of the vast holding and the other third to the widow in trust during her life time. The estate was appraised at $2,000,000.

Mrs. Somavia receives the famous Rancho Quien Sabe, one of the finest properties in the state of California and the pride of Mr. De Laveaga in his lifetime.

The Wells Fargo Bank and Union Trust Company were the executors of the estate and are to be, under the terms of the will, the trustees for the widow's share.

CREWS BATTLE THREE BLAZES OVER COUNTY

Three brush and grass fires raged over widely separated areas in San Mateo county this morning, threatening to destroy oil derricks at Lobitos, cabins at Salada Beach, and the town of Brisbane.

Burning back of the Serbian cemetery, in Lawndale, a fire of considerable proportions was flaming in a canyon of the San Bruno Hills, threatening to cross the ridge and descend on the town of Brisbane.

Earlier, a fire burned over about 10 acres of brush and grass at Salada Beach, but volunteers aiding the Colma Fire Department saved a row of seven cabins from destruction.

A fire also reported to be of considerable proportions, was burning near Lobitos, below Half Moon Bay, and was threatening to destroy a number of oil derricks, according to a message to County Fire Warden Bert Werder.

Republicans Rally To Aid Candidates

A huge Republican meeting at Burlingame Wednesday evening that was addressed by Mark L. Requa, national committeeman for California, is a strong omen that San Mateo county is to give a big majority on November 8 to Hoover and Curtis and to Tubbs. The enthusiasm and cheers indicated the way the political wind was blowing.

The San Mateo Republican Committee is organizing Hoover clubs in every town in the county.

GOV. ROLPH DISPLAYS COURAGE

Governor James Rolph Jr., has shown his customary fearlessness in dealing with disloyalty on the part of his subordinates. Disregarding political consequences and unmindful of the various threats made by his foes, the Governor has dismissed those who sought to undermine him, and in so doing has acted in the interests of the citizens of California. He has struck back at his critic, Senator Inman, charging that Inman is the mouthpiece of "special interests" and that Inman was paid to represent these interests in public matters which might become before the Legislature.

Governor Rolph is speeding the investigation in the State Department of Public Works, and has given every indication that he is determined to put his official house in complete order.

The Governor deserves the confidence of the people, and is to be commended for his decisive action. No evidence of any irregularities has been produced, and there is every indication that the attack upon the state's chief executive is unwarranted and unjust.

RELIEF BONDS VITAL NEED

The passage of $350,000 relief bond issue in San Mateo county at the election on November 8, is the most important local issue before the voters of this county. Six thousand men, women, and children—our own fellow citizens—are dependent, through no fault of their own, on public funds for their actual food.

These people are not of the type generally dependent on public relief. These are the people who normally are good citizens and taxpayers. The supreme court has ruled that the present economic condition constitutes a public calamity which must be taken cognizance of. The law of California specifically demands that each county provide funds to take care of its own indigent sick and dependent. The board of supervisors, should the bonds fail to pass, will be under the mandate of law to provide funds for their relief through a tax levied for this purpose. The result of such a tax would work distinct hardships among many small home owners and in many cases would be confiscatory.

The only alternative is the bond issue, which can be paid for over a period of years when times are better and many of the present unemployed will be again in the taxpaying class. The common laws of humanity make it emphatic that no one of our fellow citizens shall suffer actual want and starvation this winter. They must be fed.

The necessary two-thirds majority vote for the bond issue will provide this absolutely necessary relief at the least possible cost and the least possible delay for our unfortunate fellow citizens.

BY ALL MEANS VOTE "YES" FOR THE WORK RELIEF BONDS!

VOTE YES ON AMENDMENT 9

Amendment Number 9 on the November ballot is a proposal for a shift of county taxes to the state. If carried, the cost of education in the counties as a county school tax must be borne by the state. The amendment directs the legislature to levy a personal income tax and a luxury tax to provide new sources of revenue.

This proposal will not increase the cost of public education in California. It will not guarantee more to teachers than they are now getting. It will not change the control of public education.

Every home owner and owner of real property of any kind who is interested in having his taxes REDUCED should VOTE YES ON NUMBER 9.

RETAIN JUDGE BUCK

San Mateo county can well be proud of the judicial record of its pioneer Superior Court Judge, George H. Buck.

Not only does he stand forth in California as a public official with a long service record, but his fearless and conscientious decisions have many times made him the subject of state-wide discussion.

Superior Judge Buck is refreshingly different from many office holders elected by the people. Too often do these seekers-of-votes avoid intelligent and impartial acts for fear of political death at coming elections.

Not so Superior Judge Buck!

Fearlessly and firmly, for over forty years, he has handed down legal decisions that have won him the admiration of attorneys and judges throughout this state. Time and again an uniformed portion of the public has misunderstood him, but has returned to the cause of good government when the time came to re-elect Superior Judge Buck.

Superior Judge Buck's record has been remarkably free of errors, despite the fact that he has handled more litigation than any four California superior judges. San Mateo county will do well to retain this upstanding man at the November 8 polls.

DEMOCRATIC EDITOR BACKS HOOVER

The Stockton Record, one of the oldest Democratic newspapers in California, has come out strong for President Hoover. The Record, in an editorial printed last week, gives definite and convincing reasons for throwing its support to the G. O. P. Irving Martin, an oustanding newspaper man of the state, is the editor of The Record. The editorial follows:

The Record will whole-heartedly support President Hoover for re-election.

It has been the desire of the Record in the present campaign to do what in its judgment is for the best interests of the country, for the best interests of the people in the mass in these baleful times of stress. The Record has been desirous of reaching its conclusions after a calm, analytical and unprejudiced size-up of the two candidates and what they hold in promise for the welfare of the greatest number. This paper has sought to reach its conclusions unfettered by partisanship or political considerations.

The Record has not been fulsome in regard to the Republican administration of President Hoover.

As evidenced by its editorial columns during the past few months, the Record has been open-minded toward the candidacy of Governor Roosevelt and what he had to offer for the amelioration of conditions and the advancement of the national weal. Since the time of their acceptance speeches, this paper has been listening and weighing the pubEc utterances of the rival contenders in order to judge the two schools of economic thought as advanced by Herbert Hoover and Franklin Roosevelt.

On his swing through the west, Governor Roosevelt failed to convince the Record that he has a definite program that will make his dazzling promises come out of the realm of the nebulous. In his Des Moines speech, President Hoover made it clear that he has a specific program not only for the relief of agriculture, but for other suffering industries and the people as a whole. He explained the Herculean forces that had been hurled to turn the tide of depression. He revealed conceptions that he expects to turn into specific programs to keep the changed tide moving.

The Record has been cognizant of the tendency of human nature to blame the president and the "ins" for troubles and ills, cognizant of the expectation on the part of many that Governor Roosevelt would be a Moses to lead them out of the wilderness of their woes. After pondering over the abilities of the two men, the Record is convinced that Roosevelt is not provided with the staff of leadership to guide the people into the promised land of the "new deal." It is the Record's firm conviction that the best interests of the country overwhelmingly and unqualifiedly rest with the continued guidance of Herbert Hoover.

Again let it be emphasized that the paper's conclusions have not been brought about over night nor by emotion and decidedly not by partisanship or political considerations. The Record in times past has not hesitated to espouse the cause of Democratic candidates for the presidency. This was evidenced by its support of Woodrow Wilson in 1912 and again in 1916, a position which it never regretted. Again it supported Governor Cox against Warren G. Harding in 1920, because it disapproved of the forces that were lined up behind the Republican candidate. This time, because the Republican incumbent offers the greatest capacity and ability to see the nation of 125,000,000 people through the difficulties of the critical period the Record will throw the full measure of its support to Herbert Hoover.

VOTE FOR TALLANT TUBBS

All Republicans should stand united for Tubbs for United States Senator. It is highly important that with the re-election of President Hoover, the Republicans also have the majority vote in the Senate, in order that the program of reconstruction may be carried through without the obstruction of party dissension.

Incorporation of Brisbane Sought

Petition for the formation of the town of Brisbane was filed with the board of supervisors Monday and the matter was set for hearing on November 7.

The Southern Pacific, Pacific Gas and Electric Company, and Pacific Coal Bone and Fertilizer Company asked to have their lands excluded. The petition, therefore, did not include the holdings of the three companies as originally provided.

While the purpose of forming the town has not been learned, a rumor is to the effect that it is proposed to establish a dog track there.

Women who live in homes kept warm by Natural Gas Controlled Heat know that the Comfort Zone of warmth thus evenly maintained does much to eliminate the constant colds and the other chronic illnesses that come from uneven temperature in the house.

25 YEARS AGO THIS WEEK

William Hughes, A. Bassetti, and H. Steinberg appointed appraisers of the John H. Sears estate by Judge George H. Buck.

Members of the Redwood City and San Mateo Masonic lodges were guests at a banquet given by the Palo Alto lodge.

Under the heading, "In Need of Money," a news story as follows: "Downey Harvey, president of the Ocean Shore Railroad has been in Santa Cruz recently in the interest of the new road. The Ocean Shore is in need of ready capital to complete its line between that city and San Francisco by next summer." (Alas, next summer never came as far as the Ocean Shore was concerned.)

This classified ad would be appropriate right now, since there are plenty of us who are thankful to eat, let alone make wages: "Situation wanted by a clean, sober, quiet, honest, middle-aged man, to be useful in gentleman's home. Wages no object. Address N. J. Hadley, Redwood City."

But this one sounds ancient enough: "Wanted to exchange—A new Stanhope buggy, rubber tires, removable and adjustable canopy top, for a light farm wagon or fruit wagon or a strong spring wagon. Address this office."

For a delicious smoke buy the Golden Eagle and Oakwood cigars manufactured by George Wiecking, proprietor of the Red Front Cigar Store. They are the best ten cent smoke in town.

Under heading, "From Foothill Town," the following happenings from Woodside:

Miss Edith Bottger, one of our society belles, has returned from a week's visit with friends and relatives in San Francisco.

The family of A. W. Jackson has gone to the city for the winter.

Mr. and Mrs. Thomas Beyers have gone to Colorado where they will visit relatives.

Andrew Welch has purchased forty acres of land from Mr. and Mrs. Rix.

Marriage license issued—Frank Canadas and Lizzie Marsh, both of Half Moon Bay.

The board of supervisors of this county, at the invitation of the board of supervisors of Alameda county, visited the Dumbarton bridge on Tuesday with a view of making an application to the government and the Southern Pacific Railroad Company to construct a wagon road on the bridge. The proposition seems hardly feasible, although if such a thing could be done it would be a great benefit to both counties.

On the afternoon of October 12, 1907, the rival football teams of the San Mateo and Redwood City high schools had their first contest on the football grounds in this city. It was a lively game from start to finish. Sequoia won 5 to 0. With the exception of one boy who was somewhat stunned, no serious accident occurred. (Taken from story written by Earle Green, '08.)

An edict has gone forth from the city hall that every doggone dog in town must pay a license. That is, the owners must pay. The poundmaster is out rounding up the canines and citations have been issued by the city judge calling on every dog owner to appear and show cause why the dog debt should not be settled. The license cost is $4 for every female and $2 for male dogs. Half of the fee goes to the poundmaster and the other half to the general fund of the city. Nearlly all the owners are paying the tax, reluctantly.

The work of surfacing Oak Grove avenue from Laurel street to the Middlefield road will start today. The city council has abandoned the plan of macadamizing the shoulders on the city side of the avenue. This may be done later. The improvements are under the supervision of F. W. A Hoover Republican Club is to be organized in Menlo Park shortly that will have a membership of over 200. Menlo Park is to return a substantial majority for the president. BOARD HITS BEACH OIL MEASURE 11

Danger to Coastside Ocean Frontage Is Seen

Opposing oil exploitation on the coastside beaches, the San Mateo County Board of Supervisors stand strenuously opposed to initiative proposition No. 11 in the November ballot.

While the measure is designed to grant certain tidelands to the City of Huntington Beach for oil exploitation, approval of the amendment will open the entire coastline for oil exploiters, the board was informed.

Hugh Pomeroy, advisor to the county planning commission, spoke against the measure, asking the board to take its stand, which it did on motion of Supervisor Thomas L. Hickey, seconded by Supervisor Rosalie M. Brown.

The few dollars which would accrue to the City of Huntington Beach from oil exploitation of this public heritage are but a "mess of pottage" compared to the immeasurable public loss arising from destruction of a great public playground, C. G. Ward, chairman of the civic betterment committee of the Huntington Beach Chamber of Commerce, declares.

Oppose Relief Plan

The Building Trades Council of San Mateo added its opposition to the proposal to require the transfer of property from indigent persons to the county before county support will be allowed in a letter in the hands of the supervisors.

This measure affects those who have property but who are without funds or income.

The purpose, as explained by Supervisor Thomas L. Hickey, is to make it possible for the county to be reimbursed by heirs who have deserted needy relatives, but who will claim their estates when they die.

Seek Share of Orders

Independent retail grocers appeared before the board to have that body ask the Social Service Commission to direct persons to trade with independents as well as with chain stores.

The group making the request represented the San Mateo County Retail Grocers' Association. It was stated that 190 out of 275 grocery orders went to the chain stores.

The board stated it could not give the relief prayed.

Ask Traffic Jobs

Berth with the county traffic squad is being sought by Clifford Hawkins, 23, of North Fair Oaks, in a letter on file with the board of supervisors.

Another request for a traffic position came from Albert L. Hall, 30, of San Bruno.

C. H. Jensen, Pescadero, applied for the position of superintendent of Memorial Park.

The city council of Redwood City informed the board of its endorsement of the $350,000 bond issue.

High School Notes

Sequoia Cage Teams To Meet South City

South San Francisco High school lightweight basketball teams will play hosts to a pair of fiery Sequoia fives this evening in the former's gym in what should develop into a pair of speedy contests.

Sequoia, favored after their decisive triumphs over the highly touted Burlingame quintets last Friday, showed a decided let-down Monday when they dropped a pair of one-sided tilts to Balboa High of San Francisco. These defeats, however, should arrouse the Cherokees to the proper spirit for a win tonight against South City.

Palo Alto cagers showed form in downing the South Cityans last Friday which also tends to make the latter underdogs in tonight's games. Coach Ray Dimick eased up on practice during the early part of the week but has been working his lads hard for the past two days. They should be in great shape for tonight.

Play Class at Work Making Stage Sets

This year's play production class, under the direction of Claude van Patten, is making the sets for the various productions presented by Sequoia Union High school. This work was formerly done by Edwin Spence's class in stagecraft, which has been discontinued this year.

So far the play production class has made the sets for the recent production, "Captain Applejack." Members of the class are now working on sets for the coming operetta, "Love Pirates of Hawaii," which will be presented November 5 in the Sequoia Union High school auditorium. The admission will be 25 cents.

Varsity Gridders to Play San Jose Today

After failing to make an impressive showing against the Burlingame eleven, the Sequoia varsity football squad, after a week of hard drilling, will tackle the Peninsula Athletic league's annual dark horse, San Jose, this afternoon on the San Jose turf.

The only direct comparison that can be applied to the two outfits is through the Lodi contest. The Garden City boys fell before the Lodi attack 13-6, while the Cherokees fought to a 14-14 tie with the valley eleven.

Last Friday San Jose appeared to be at their best in trampling the Fremont High school team 33-0, while the Cherokees could not summon a single goal line punch in six attempts against the Panthers.

So Coach Len Casanova and Assistant Coach Al Terremere have conceived a pass offense which they hope will open up the opponents' secondary defense enough to give the power plays through the line a chance to function.

Winners Announced In Class Debates

In the first round of interclass debates at Sequoia Union High school Monday afternoon, the junior negative team composed of Jocelyn Williams of Belmont, Robert Steiner, and Tom Tibbs, defeated the affirmative freshman team, Larry Kirton, Virginia Meyers, and Dan Lisson, while the senior negative team comprised of Alice Swift, Jack Schroeder, and Sam Eastburn drew a decision over the affirmative sophomore team composed of Ruth Steiner, Jack Nasits and Ruth Edwards.

Students chosen from interclass speakers will present a public debate on the subject of President Hoover's reelection November 7 in Sequoia's auditorium at 7:45. The public is invited to hear the argument.

and farmers for non-payment of rents, taxes and mortgages, and the exemption of this group from any form of taxation in this period, was shown to be futile because these matters were beyond the power of the board to grant.

Also futile was the request that the board order contractors to show no discrimination on public work against foreigners. The supervisors pointed out that the state law specifically sets out that only citizens could be employed on projects using public moneys.

County's Side Told

In answer to these demands, the board pointed to the $100,000 set aside for relief work this winter, the expense of operating the county hospital and county farm for the benefit of the unemployed and indigent, the extensive road program undertaken, the work being given in Memorial Park, and the proposed $350,000 bond issue to create jobs, to show that the supervisors are alive to the needs of the unemployed.

The committeemen then retired to the vacant lot, while Kopping and Hardy read off the board's answers. The leader then declared that the group was not large enough, and while a "spellbinder" spoke, cards for membership in the council were passed out.

The group then disbanded.

Anniversary Is Celebrated By Robin Hood

The thirtieth anniversary of the founding of the local group of Robin Hood Circle, Neighbors of Woodcraft, was celebrated Thursday evening with a birthday and Halloween party beginning at 8 o'clock in Odd Fellows' Hall.

Mrs. Beryl Stone and Miss Jessie Leslie headed committees for the arrangement of games and entertainment; and a prize was given for the most original costume.

The circle was instituted in Redwood City in 1902, and nine of the 16 charter members are now living. They are: Mrs. H. G. Lowenstein, Mrs. Ricka Goldsmith, both of San Francisco; Mrs. Emma Winter, Mrs. Hanna Sahlberg, Mrs. Hilma Fowler, Mrs. Selma Locker, Mrs. Elizabeth Eberle, Mrs. Tilda McNulty, and Mrs. Kate Scott.

STUDY SECTION PLANS PROGRAM OF VARIETY

Three interesting features are promised for the meeting of the Redwood City Woman's Club Study Section to be held on October 27. Mrs. J. Edwin Spence will discuss several of the amendments to be on the November ballot; Mrs. Roscoe D. Wyatt will talk on "Benjamin Franklin and His Times"; and Mrs. Ella Morris will review Pearl Buck's "Sons".

Tanforan May Extend Races Three Weeks

While peninsula racing fans are at Tanforan and of the greyfall meeting of the thoroughbreds hounds at Belmont October 29, indications were circulated today preparing for the closing of the that the Tanforan season may be extended two or three weeks pending final decision by officials of the San Bruno track.

Announcement has been made by the Baden Kennel Club at South San Francisco that dog racing will continue there until the first of December, unless action on abatement proceedings now before the superior court is taken in time to shut down the north end track before that time.

Increased attendance at Tanforan during the past two weeks is given as the reason for the proposed extension of the horse-racing program, which suffered from a lack of customers earlier in the season.

Coming stake races scheduled are the Angelo Rossi handicap for two-year-olds at a mile and 70 yards and the Elks handicap at six furlongs next Saturday; the Alameda county handicap for California breds October 29 and the tentative Farewell handicap the same day.

California bred runners are proving their worth in the decision of the stakes, meeting and often defeating good ones from beyond the Rockies. Bahamas has scored twice in features open to the world, Sharp Thoughts, also a "native son," in one, and Boardwalker, from the blue grass region of Kentucky, in one.

The string of triumphs of Bahamas began in the Daly City handicap at one mile and 70 yards, and was followed up by victories in the San Mateo handicap, at six furlongs, and in the San Francisco handicap, at nine furlongs. The Daly City was an overnight affair.

JOINT STUNT NIGHT IS PLANNED FOR DISTRICT

A joint stunt night is planned for Saturday evening by the Odd Fellows and the Rebekah lodges of district 24. The local groups are busy working on their stunts for the affair, which is to be held in the Masonic Hall, 100 North Ellsworth street, San Mateo, at 8 o'clock.

LOCAL COUPLE IN S. F. FOR EASTERN STAR MEET

Dr. and Mrs. F. S. Gregory of Durlston avenue have gone to San Francisco for a week to attend the state meet of the Eastern Star.

Oystermen of Mississippi, Louisiana and Alabama have formed an organization seeking to boost the price of their product.

Robert J. Koshland, assistant director of the San Mateo County Committee on Unemployment Relief, was present yesterday, and offered advise to the local committee members.

World Record Set In Baden 'Stakes

My Laddie set a new record of :31 1-5 for five-sixteenths of a mile in winning the finals of the Baden Kennel Club sweepstakes from Ralph Agricola, Australian speedster, at the South San Francisco track Saturday evening.

The final was a match race between the two survivors of elimination trials.

Donald E. Barron, 31, an unemployed seaman, whose address was given as 16 Sherman street, Alameda, suffered fatal injuries on the Bayshore highway near South San Francisco Tuesday evening when he fell off the drawbar between a truck and trailer.

Barron was taken to the South San Francisco Hospital for emergency treatment, and from there was removed to the Community Hospital, Beresford.

The truck was being driven south by Don O. Finley of Dinuba.

Daniel R. Stafford, realtor, today announced the removal of his offices from 2325 Broadway to 2399 Broadway at the corner of Winslow. The new location has been re-modeled to suit Mr. Stafford's needs.

50,000,000 to Cast Ballots on November 8th

America's goal is to mobilize 50,000,000 voters at the polls November 8, under a campaign being pushed by the United States Chamber of Commerce, the San Mateo County Board of Supervisors was informed this week.
